Sir,

Sub: Civil Supplies - Jaggery - Special kind of jaggery Produce of Coondapoor - conversion into ordinary jaggery.

Ref: Government Memorandum No.8330 J/43-1 dated 29th April 1943.

The area under sugarcane in the Coondapoor taluk is reported to be 1830 acres in the current year which is 160 acres more than in the previous years. The harvesting commences by about the first week of November and continues till the end of January. A very small percentage of the crop is also harvested in February. Last year the special staff for doing propaganda and giving the necessary demonstration among the jaggery producers was appointed rather late in the season, when the bulk of the crushing was over. It is therefore proposed that the special staff this year should be able to start their work by about the middle of October i.e about a month in advance of the actual season for the manufacture of jaggery, to enable them to get acquainted with the tract and the ryot population. The staff will tour all over the taluk, hold demonstrations and do propaganda for the preparation of solid jaggery as against the local practice of making viscous jaggery.

2. The Special Staff needed for the work is detailed below:-

	for one month.
1 Fieldman on Rs.30/- p.m.	Rs. 30/-
6 Maistries at Rs.19/- each p.m.	114.
Dearness allowance at Rs.6-8-0 p.m for above	45-8-0
Travelling allowance for maistries, not exceeding Rs.15/- p.m each.	90
Travelling allowance for fieldman, not exceeding Rs.20/- p.m.	20
	299-8-0
Contingencies.	20-0-0
	319-8-0
For 2 months.	639 or Rs.640/-.

If the above proposal is sanctioned, necessary provision will be made in the revised estimate for 1943-44 under the head "40.d. Agricultural Demonstrations - 1 - ordinary areas - Pay and Travelling allowance"

In their order cited above, Government sanctioned a special staff for a period of 2 months for doing propaganda and giving demonstrations among the jaggery producers of Coondapur, Udipi and Karkal taluks of the South Kanara district to induce them to convert cane juice into ordinary jaggery. The harvest of sugarcane was very much delayed this year on account of rains and consequently the work of the special staff has not been completed. The retention of

A/ a portion of the staff is therefore necessary and it is proposed to employ two maistris for one more month from 1st February 1944 No extra expenditure is involved in the proposal since there is a saving of Rs.93/- in the sanctioned allotment and the retention of the two maistris will cost only Rs.81/-. As the work has to be continued uninterrupted, the services of two maistris are being continued in anticipation of Government approval.

B/ I request that Government be pleased to sanction their retention for a month from 1st February 1944 and to approve of my action in having continued them in anticipation of Government sanction.

D.G.(I.N.) No. 6

Civil Supplies - Jaggery - Special Kind of jaggery produced in Condapur taluk - Conversion into ordinary jaggery - Special staff.

From the Bd of Rev (CS) No. 6284-CS-43 dt 6.5.43

From the D.A No. C2. 569/43 dated 26.8.43

After a tour in the S. Kanara Dt in June 1942 the Dy Commr of C.S reported that in Condapur taluk and in portions of the Udipi taluk of the S. Kanara Dt a peculiar kind of jaggery is manufactured: Instead of the juice being boiled till it becomes solid the juice is converted into a sort of viscous liquid and then shred into fine. The Dy Commr suggested that the Agl Dept might take steps to induce these Ryots to convert the Cane juice into ordinary jaggery. The Govt in Consultation with the D.A and the CCS sanctioned the appointment of 4 maistris during the last season for giving the necessary demonstration among the jaggery producers of these areas to induce them to convert the cane juice into ordinary jaggery. In April 1943 the DA reported that the maistries were able to do a good deal of useful propaganda & demonstration among the Ryots but that the major portion of the cane had been harvested by the time the maistris were appointed. The Govt therefore requested the DA to consider in consultation with the Collector of S. Kanara the need for similar propaganda during the coming season also & to submit necessary proposals through the Bd of Rev (CS) for the appointment of a Special staff sufficiently in advance of the crushing season

The DA has now submitted his proposals. It is proposed to appoint 1 Fieldman and 6 marshes for 2 months. The expenditure involved is Rs 640/- as against Rs 324/- sanctioned for the last ½ season. The Bd supports the request for orders whether the staff proposed may be sanctioned. Subject to orders a Draft order is submitted for approval. It may be sent to Finance for acceptance.
